LanisLanolin

Wool grease, lanolin and lanolin derivatives have been at the heart of ImperialOel's business since its founding. Today, as one of the world's largest independent suppliers of lanolin products, ImperialOel provides a diverse range of demand-oriented solutions that includes modern lanolins and derivatives, such as alcohols and various lanolin fractions. Our **Lanis** and **Lanis Tech** brands play an important role in cosmetic/pharmaceutical and industrial applications.

MarisOmega

MarisOmega are fully natural omega-3 and omega-6 ingredients for infant formula, health foods and innovative supplements. The **MarisOmega ingredient** range offers low-oxidized and highly stable oils and powders with **different** levels of EPA/DHA and ARA. For optimum organoleptic results in the finished product, we provide extensive application support, closely cooperating with customers' R&D and manufacturing technology experts. In addition, ImperialOel develops and manufactures **liquid omega-3 supplements** for innovative brands.

Specialties

Throughout its 100-years history, ImperialOel has offered a wide range of specialty oils for a variety of industries and applications. The diverse offering includes natural lipids, bone products and oleochemical specialties. Those are utilised around the world, all backed by a knowledgeable team of application experts serving the core industries: Beauty and personal care, food, beverage, drugs and supplements, construction and bitumen/asphalt.
